To the Members of the Board of Commissioners Bossier Parish Fire Protection District No. 3, Component Unit of Bossier Parish Police Jury Benton, Louisiana

We have compiled the accompanying component unit financial statements of Bossier Parish Fire Protection District No. 3 as of and for the year ended December 31, 2009, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected not to implement the new financial reporting requirements of GASB Statement No. 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments. The effects of this departure from generally accepted accounting principles have not been determined.

The Schedule of Per Diem Paid to Board Members, Summary Schedule of Prior Year Findings, and Corrective Action Plan for Current Year Findings on pages 5-7 are presented for purposes of additional analysis and are not a required part of the financial statements. We have not audited or reviewed this schedule and, accordingly, do not express an opinion or any other form of assurance on it.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial statements. Accordingly, these financial statements are not designed for those who are not informed about such matters.
